Name: Robert Smith
Address: 101 Pine Street, InnovateCity, State, Zip Code
Phone No: +91 9812345678
Email: robert.smith@email.com

Objective:

Ambitious computer engineer with a strong background in full-stack development. Seeking an opportunity to utilize my skills in a challenging environment where innovation and creativity are valued.

Summary of Qualifications:
- Bachelor of Science in Computer Engineering from GHI University
- Proficient in C++, Python, and Ruby
- Experienced with DevOps practices and tools such as Docker and Jenkins
- Solid understanding of networking protocols and security best practices
- Excellent teamwork and leadership abilities
- Strong analytical and troubleshooting skills

Education:
- Bachelor of Science in Computer Engineering

GHI University, InnovateCity, State

GPA: 3.85/4.0

Technical Skills:
- Programming Languages: C++, Python, Ruby
- Web Development: Ruby on Rails, Django, HTML, CSS
- DevOps Tools: Docker, Jenkins, Kubernetes
- Networking: TCP/IP, DNS, Firewall configuration
- Version Control: Git, GitLab
- Operating Systems: Linux, Windows, Unix

Experience:

Full-Stack Developer | MNO Tech Solutions
- Developed and deployed scalable web applications using Ruby on Rails and React
- Implemented continuous integration and delivery (CI/CD) pipelines, reducing deployment time by 30%
- Worked closely with security teams to ensure applications met industry standards

Intern | PQR Cybersecurity
- Assisted in developing security protocols for web applications
- Conducted vulnerability assessments and provided remediation recommendations
- Participated in security awareness training sessions

Projects:
- **Task Management System:** Built a full-featured task management system using Ruby on Rails, supporting user roles, task assignments, and notifications.
- **Network Monitoring Tool:** Developed a network monitoring tool using Python, allowing real-time traffic analysis and alert generation for unusual activity.

Certifications:
- CompTIA Security+
- AWS Certified Security – Specialty

Languages:
- English (Fluent)
- Japanese (Basic)
