Name: Sarah Johnson
Address: 202 Cedar Lane, Techville, State, Zip Code
Phone No: +91 9876543211
Email: sarah.johnson@email.com

Objective:
Detail-oriented software engineer with a passion for developing high-quality software solutions. Looking to join a company where I can apply my technical skills and grow professionally.

Summary of Qualifications:
- Bachelor of Engineering in Computer Science from JKL Institute
- Expertise in Java, Kotlin, and Go
- Strong experience with RESTful API design and microservices architecture
- Proficient in using version control systems and CI/CD tools
- Excellent communication and project management skills
- Ability to work effectively in both solo and collaborative environments

Education:
- Bachelor of Engineering in Computer Science

JKL Institute of Technology, Techville, State
GPA: 3.9/4.0

Technical Skills:
- Programming Languages: Java, Kotlin, Go
- Web Development: Spring Boot, Flask, HTML, CSS
- Microservices: Docker, Kubernetes, RESTful APIs
- Database Management: PostgreSQL, MongoDB
- Version Control: Git, GitHub
- Operating Systems: Linux, macOS, Windows

Experience:
Backend Developer | STU Innovations
- Developed and maintained microservices for a fintech platform, improving scalability and performance
- Designed RESTful APIs and integrated them with front-end applications
- Collaborated with QA teams to conduct testing and ensure software quality

Intern | XYZ Software Labs
- Assisted in developing backend services using Spring Boot and PostgreSQL
- Participated in code reviews and refactoring to improve code maintainability
- Contributed to Agile sprint planning and daily stand-ups

Projects:
- Online Payment Gateway: Developed a secure online payment gateway using Spring Boot and PostgreSQL, supporting multiple payment methods and currencies.
- Social Media Analytics Tool: Built a data-driven analytics tool using Flask and MongoDB to track and analyze social media trends.

Certifications:
- Oracle Certified Professional, Java SE
- Certified Kubernetes Application Developer (CKAD)

Languages:
- English (Native)
- Spanish (Conversational)
